(Q2) CLO2 [Estimated Time: 15 minutes]

- a) Given below are two body paragraphs. They are missing their topic sentences. Read each paragraph, and add/write the topic sentence for each paragraph in the form of a clear statement. [2]

Paragraph 1: In a survey of students, 60% of students reported that they had been teased or bullied because of their clothing. If all students were required to wear a similar uniform, this type of behavior would decrease. In addition, 73% of students responded that school uniforms would help to create a sense of unity and family in the school. When students feel a sense of unity and connection to the school and their peers,

they are less likely to tease each other. School uniforms would help to create unity and decrease bullying and teasing between students.

Paragraph 2: Almost all cars run either on petrol or diesel fuel, both of which are fossil fuels. Burning these fuels causes the car to emit serious pollutants, such as carbon dioxide, carbon monoxide, and nitrous oxide. Not only are these gases harmful for health, causing respiratory disease and other illnesses, they also contribute to global warming, an increasing problem in the modern world. According to the Union of Concerned Scientists (2013), transportation in the US accounts for 30% of all carbon dioxide production in that country, with 60% of these emissions coming from cars and small trucks.
